WE WANT
PreP NOW!

What is a friendly doctor?

.... just a good doctor!

DOCTOR'S ROLE

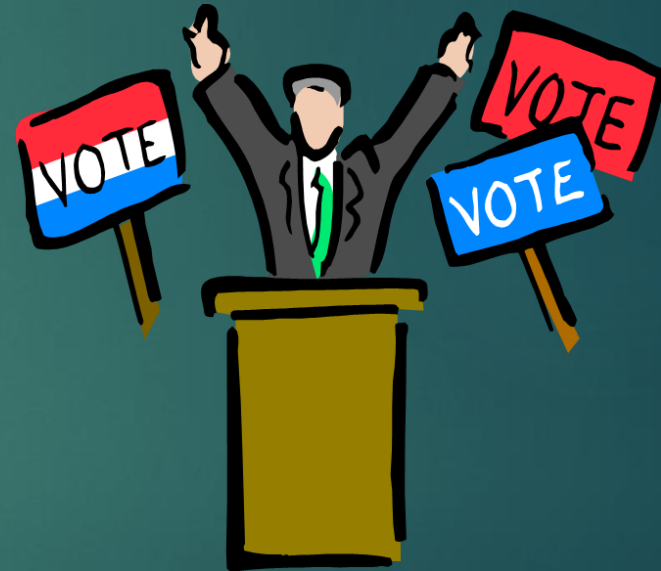

DIFFERENT PERSPECTIVES

Doctor

Is my patient's health going to benefit from this?

Politician

How many votes I am going to get from this?

Science is not enough

...good doctors are not enough!

Science is not enough...but is it useless?

- ▶ Activist should be activist, and act
- ▶ Scientist should be scientists, and make science

Doctors and activists: a good
team...
but...

**What is exactly the role of doctors in
this alliance?**

Thank you for the attention
